Postponement/Cancellation of Gatherings that Involve Eating and Drinking

With the spread of coronavirus, we ask that you postpone or cancel non-essential/non-urgent gatherings (thank-you parties, drinking parties, karaoke, etc.) to lower the chances of coming into close contact with others.

Although the new academic year has just begun and we are pleased that new students are arriving, please refrain from holding parties welcoming new students or other events for the time being.

We are at a critical moment in preventing and limiting the spread of coronavirus infection. Your understanding would be greatly appreciated.
